Introduction

For Skyrim's 5-year anniversary, we challenged the community to send us their best Skyrim screenshots over the years. Each screenshot is accompanied by a short caption in the dragon language that describes the scene.

Winning entries were chosen based on good composition, creativity, and effective use of the short captions.

Hahnu Yol Hind Vul Lok

Dream Fire Hope Dark Sky

The fires of the Skyforge are lit brighter now than ever before, the body of a great leader fuels the embers to dream greater than ever before. The light flickers against the dark star-filled sky, reminding mortals of the infinite nature of life itself.
